@Both Perception and Alphawolf: I'm going to have to check with the other mods if they can be accepted, as they might stretch the amount of wolf miraculous.

@Fellow Mods: Please help. I'm feeling like I'm alone in accepting forms, and I really need help.

@Perception you're missing something in other
@Alphawolf you need a kwami form
@Hawk sorry. I'll try to be more helpful.

I think after this, we shouldn't have any more wolves because I went through the thread and we already have 2 that have been accepted.

(May double post)

Also @Fellow mods: What I said didn't come out right at all. I don't think I should've added it to the post, it was rude and disrespectful. I'm sorry for what I said.

Welp, I finally finished. No idea why I took so long tbh, the only thing I had to do right now was to add her special power and copy-paste...

Name: Jacqueline Brooks
Hero Name: Black Jaguar/Jaguar
Gender: Female
Age (13-17): 16
Sexuality/Orientation: Straight
Appearance: Jacqueline has jet black hair in long waves that reaches down nearly to her hips. She usually wears it loose or in a braid. Her skin is pretty pale, and when she tries to tan she simply gets sunburned and peels, and after that she looks mostly the same as before. Her eyes are green with a few lines of gray. Jacqueline usually likes to wear black pants or leggings, with shirts in any shade of dark colors (but she avoids black and browns), though she prefers purples, blues, and greens. She doesn't really like shiny, glittery or showy clothes, and likes to wear mostly plain shirts with very little decorations, usually accompanied by some plain black flats.
Personality: Jacqueline is pretty smart, and isn't afraid to stand up for herself or others. She has a way with words, twisting them, making or spotting loopholes, and using everything you say against you. She uses her sharp tongue and witty words as defense or offense, depending on the situation. However, she also has a short temper, and she tends to judge people quickly. She's also quite stubborn. She likes to analyze a situation before jumping into it, although emergencies, such as some akumas, are exceptions. She is kind of awkward around people she's just met or doesn't know very well. She loves reading. And reading. And reading some more. Fiction, math, science, novels, sci-fi, fanfictions, fantasy, whatever she can get her hands on. Her favorite color is green. She likes organizing things, and she has a tendency of getting lost easily and bumping into people when she's somewhere new.
Hero Appearance: Black Jaguar wears her hair in a single long braid, and her mask is like Ladybug's, but all black, and she has a small pair of jaguar ears perked on her head. Jaguar has the usual skintight suit, it's black with some rosettes faintly patterned on it. It has built-in black boots and it's waterproof.
Hero Personality: Jaguar is pretty much the same as Jacqueline, but her temper gets a bit fierier and she doesn't bottle her emotions as much. She finds it easier to focus, especially if it's on one particular target, and she also feels a bit more restless and tends to pace a lot. She gets a lot more claustrophobic as Jaguar than as Jacqueline.
Weapon: A staff that turns into nun chucks when twisted.
Powers: Enhanced physical abilities (particularly grace, balance, and strength), can leap pretty high and see better in the dark.
Special Power (ie.: Cataclysm, Lucky Charm): Foresight- Jaguar can see what's most likely to happen next, but only one minute ahead, for one minute. What she sees can change depending on what actually

happens.
Miraculous Appearance: A bracelet with five small rings of jade threaded on it. They're evenly spaced and knotted in place. When she transforms the jade turns black, and as it counts down they turn back into green.
Mental Strengths: She's good at puzzles and analyzing situations, likes playing with words and reading a lot, and she's pretty creative.
Physical Strengths: She's agile and has pretty good coordination, she's a great swimmer, and can hold her breath for a pretty long time (about a minute, but less if she's moving a lot).
Emotional Strengths: Jacqueline is determined, and can keep calm in emergencies.
Mental Weaknesses: She can overthink things a lot when she's nervous, she's scatterbrained most of the time, she tries to take on too many projects at once, and procrastinates quite a bit. Oh, and she's terrible at schoolwork and reports if she has to do any.
Physical Weaknesses: She has pretty low stamina, and she's not very strong or flexible (except for when transformed, obviously).
Emotional Weaknesses (Akuma prey): She has a short temper, doesn't forgive easily, bottles her emotions, and can be really stubborn.
Other: OwO what's this? She's homeschooled. This and this are her PoV colors.

Name: Oncaa
Pronouns: She/Her
Animal: Black Jaguar
Personality: She's very energetic, and adventurous, and eager to leap into action. She's also optimistic and tries to cheer people up, though it usually has the opposite effect, as she tends to point out the worst-case scenario instead of giving them a pep talk or something like that. On occasion she's also sarcastic, or tries to be, but it's hard to tell when she is, because she says it like she would normally say things. Oncaa is extraverted and is quite chatty, as well as very curious, which can sometimes be interpreted as nosy instead. Despite her usually upbeat attitude, you should avoid messing with her and those she cares about, you might end up regretting it.
Appearance: She has yellow eyes and her black fur is patterned with rosettes, though they're not too different in color from the rest of her fur, so they're hard to see. Her large ears are perched on top of her head, and her long tail trails behind her when she zooms around.
Food: Jerky, she prefers beef or turkey.
Other: OwO what's this?

Personality: Jo's personality is…a little complicated, to say the least. She's usually happy, jumpy, and energetic, ready to make friends, but when she's grumpy, annoyed, or angry, it basically affects everyone else around her.
Hero Appearance: Aeschyli wears a sleeveless black jumpsuit with a short-sleeved crop-top brown jacket with tan fur lining, brown boots that also have fur lining, brown gloves, and a brown mask that covers her eyes. She has what appear to be a reddish-brown, large squirrel tail and little squirrel ears that match her tail.
Hero Personality: Pretty much the same, though she's more serious.

Powers: Aeschyli can jump high, run very fast, and has incredible climbing skills.

Miraculous Appearance: Her Miraculous is a black choker with a small, silver squirrel pendant. When active, the squirrel becomes reddish brown (like Tuki) the eyes become blue-green, and five blue-green pawmarks appears along the choker in a row on each side. After Jump is used, a paw print on each side will disappear until Aeschyli transforms after all the paw prints are gone.
Mental Strengths: She is mentally stable.
Physical Strengths: flexibility
Emotional Strengths: She isn't usually scared.
Mental Weaknesses: Sometimes she isn't as serious as she should be.
Physical Weaknesses: Not built for strength.
Emotional Weaknesses (Akuma prey): When she DOES get scared, it's incredibly strong.
Other: OwO what's this?

Name: Tuki
Pronouns: She/Her
Animal: Squirrel

Personality:
Appearance: She’s a reddish-brown squirrel-like Kwami, and appears to have a slight maroon tinge, and blue-green eyes.
Food: Cookies and most kinds of baked sweets, but, like most Kwamis, she’ll eat practically anything.
Other: OwO what’s this?

Name: Delta Hamlon
Hero Name: Blurry Cheetah (But also known as Cheeto Blur by some people, like Black Wolf)
Gender: Female
Age (13-17): 15
Sexuality/Orientation: Straight
Appearance: Delta has waist-length yellow hair that is usually done in a ponytail. She has large green eyes. She is very skinny and gangly. She wears a white tanktop under a golden cardigan, a short golden skirt, white capris, and light blue high-top sneakers.
Personality: Delta is very shy and is the kind of person who hides in a corner to avoid other people. She is often teased about her unusual name, and some people call her Shelta, a mixture of “Shy” and “Delta", to be mean. She is very timid because of this, and is somewhat clumsy. She is very smart, and she has a surprising love for Cheetos.
Hero Appearance: Blurry Cheetah has a golden jumpsuit with sleeves that stop at the elbows and knees with black cheetah spots, a skirt, and a eye-mask with the same pattern, and black boots and gloves. She has a cheetah-pattern belt that acts like a tail, and cheetah ears.
Hero Personality: Blurry Cheetah is much more composed and braver than Delta. She is also quiet and calm.
Weapon: Blurry Cheetah has a small gun on her belt that can shoot all kinds of bullets. Grappling hook bullets, forcefield bullets, akuma de-evilizing bullets, you name it. Each creates its respective thing when it hits something, unless it’s a grappling hook, where a rope with a hook shoots out of the gun.
Powers: She can move so fast that she’s literally a blur, hence her name.
Special Power (ie.: Cataclysm, Lucky Charm): Overload. This power makes all of Blurry Cheetah’s actions much stronger for five minutes, after which she will transform back into Delta.
Miraculous Appearance: A golden wristband on Delta’s right wrist. When active, it will get five black cheetah spots on it. After using Overload, the spots will disappear from left to right one at a time once every minute for five minutes, and when Blurry Cheetah transforms again it will go back to its inactive state.
Mental Strengths: Composed mind, quick thinking.
Physical Strengths: Agility and flexibility
Emotional Strengths: Braver than normal
Mental Weaknesses: When scared enough, her mind can become chaotic. Also, her timidness when not transformed.

Emotional Weaknesses (Akuma prey): Fear of failing other people.
Other: OwO what’s this?

Name: Ituka

Appearance: Cheetah-like, golden-yellow with black spots, a cat-like tail and ears, and brown cat-like eyes.
Food: Cheetos and baguettes (but not together)
Other: OwO what’s this?

Mental Strengths: Chillllllll
Physical Strengths: Good at dodging attacks.

Emotional Weaknesses (Akuma prey): Worry of hurting or accusing innocent people.
Other: OwO what's this?

Name: Lupus
Pronouns: He/Him
Animal: Wolf

Appearance: Lupus's back is gray, while his underside is white, like wolves. He has amber eyes, white tufts on his head, and a snout similar to a wolf's.
Food: Ham
